

String Inverter systems:

+

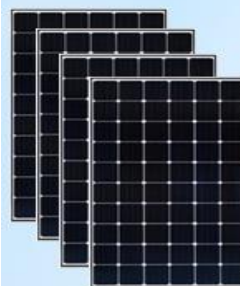

System design:

- LG solar modules
- Fronius inverter (Wifi) (battery upgradeable)

2kW System From **\$4,920^{inc}**
 3kW System From **\$5,550^{inc}**
 5kW System From **\$7,750^{inc}**

String Inverter + DC Battery systems:

+

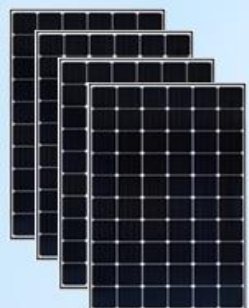

+

System design:

- 5kw LG solar modules + 5kW SolaX Hybrid inverter + 6.5kW LG Resu battery (Includes WiFi monitoring)

From **\$15,990^{inc}**

+

System design: (Battery Ready)

- LG solar modules + enphase micro-inverters + communication envoy (Includes WiFi monitoring)

3kW From **\$6,699^{inc}** 5kW From **\$9,999^{inc}**

Enphase AC Battery:

+

Enphase micro-inverter systems:
 (Battery only)

From **\$2,300^{inc} each**

Retro-fit to existing solar system:
 (1st battery + envoy)

From **\$3,300^{inc}**

(Additional batteries)

From **\$2,300^{inc} each**
